There is a \$50.00 International Wire fee deducted from our customer's account at time of wire posting. Other fees and charges may be applied from any other financial institution that handles the international wire. All International Wires will need to be in US Dollars or the wire will be denied.

We do not have an IBAN number.

******VERY IMPORTANT******

Originator must check with their bank on how international wires are sent. It may be possible for the wire to be sent to a United States bank that has a relationship with the foreign bank, thus meaning the domestic instructions would be used.*****
